

Orbit Coaches Terms & Conditions

Applicable to all parents/guardians/legally responsible persons and students who use the bus service.

This private bus service is provided by Orbit Coaches and not by the school attended. All applications will be dealt with in the same way on a first-come-first-served basis. It is also acknowledged that you have read the terms and conditions and that the person travelling on our vehicle is also fully aware and complies with them.

We shall make reasonable efforts to provide the service we advertise. Orbit Coaches Ltd are providing several different routes to SCHS and your child/children are normally allocated a place on the nearest available bus to their home address. In some instances, it may be the only vehicle available. Once a permanent bus pass has been issued, it is not possible to transfer to another available bus to accommodate personal preferences.

We also reserve the right to arrange alternative transport as deemed by us to be appropriate at any time to meet our commercial needs and the need of our passengers without notice.

Applications

Any application received after the 12th July 2019 will be subject to availability and placed on a waiting list. Your child may be offered a service which may not be the nearest to their home address.

Bus Passes

A 'no pass, no travel' rule must be applied, as not only is it fraudulent to try to gain travel which has not been paid for, but also buses may be overloaded and therefore unsafe because of the number of students travelling who should not be on the bus. Replacement for missing/damaged must be reported ASAP a new pass can be purchased from Orbit at a cost of £10. Please contact the office for replacements. Please note a temporary pass obtained from SCHS at the cost of 50pence which is only valid for the day of travel.

Code of Conduct

Orbit will contact parents of any child involved in the case of a complaint or bad behaviour. If the complaint is of a serious nature, such as vandalism or bullying, then transport will be withdrawn with no refund. If three complaints are received about the same child, the coach operator can and will refuse to allow the child to continue using the service and no refunds will be made. If damage is caused to a vehicle by a passenger, an invoice for the full cost of repair will be sent to the parent and transport will be withheld until payment is made.

CCTV

Parents and pupils should be aware that CCTV is used on many school contract buses to support initiatives against anti-social behaviour, vandalism and to protect the safety of our passengers and employees. Vehicles using CCTV or other means of recording will have notices displayed to this effect. Recorded images may be shown to school staff to identify individual pupils.

Personal Data

Please keep Orbit Coaches Ltd up to date with any changes to your name, address, telephone number and e-mail address. In providing your personal data to us, you give your consent for us to record and retain it, to use it in all subsequent correspondence between us and you and for us to disclose it to your school, the police and to other parties as we deem appropriate.

Personal property

Orbit accept no responsibility for lost property or articles left on the vehicles as they are done so at the owner’s risk, any items unclaimed will be disposed of after four weeks.

Strictly no food or drinks to be consumed on the bus during travel, this is except for water.

Damage to vehicles

Where a vehicle is damaged because of vandalism, we will seek to recover the full cost of repairs from the parents/guardians of the student/s responsible. If the amount is not paid, the travel pass will be withdrawn until the amount is settled.

Our Service

It is important that your child/children only travel on the bus they have been allocated, attempting to travel on another service may result in them being excluded from travelling with Orbit Coaches. It is a requirement for all pupils to wear a seat belt if they are fitted to the bus. It is not the bus driver’s responsibility to ensure that pupils wear a seat belt.

There is no seating plan and students are free to sit wherever there is space on the vehicle, however your child will not be able to change from their allocated service.

Very occasionally the service may run late due to unforeseen circumstances, such as break down, traffic or roadworks, you should wait for 20 minutes after the bus was due to arrive at the pick-up point. Orbit will do it’s utmost to provide alternative arrangements.

All vehicles are non-smoking, include e-cigarettes.

Early Operation due to Poor Weather.

If schools decide not to open due to adverse weather they will advise us directly.

Orbit Coaches will try to ensure that home to school transport is operated during severe weather but only when safe do to so. Our routes to SCHS are on country roads which may be difficult and unsafe for our vehicles to travel.

Please be aware that in cases of inclement weather, it may not be possible to serve all the stops and buses may only be able to travel on the main roads
